ption and export and the best commercial interest that are likely to accrue depending upon the prices of sugar in the international market and other relevant factors.

To achieve higher sugar production to meet the domestic as well as export requirements, Government have already taken various steps such as increasing the statutory minimum price of sugarcane every year, announcing statutory minimum price in advance, change in the ratio of levy and free sale quota sanction of licences for new sugar factories and expansion of existing capacities, various incentive schemes and financial assistance for modernisation and cane development from Sugar Development Fund.

Telecast of films and songs of Dr. N.T. Rama Rao and Sri N. Balakrishna by Doordarshan Kendra, Hyderabad
